

# PRIVACY POLICY

Streetwise Warranties has a strong commitment to providing excellent service to all of our customers and visitors of this Web site, including respecting your concerns about privacy. We understand that you may have questions about how this Web site collects and uses the information that you provide to us. We have prepared this statement to inform you of the privacy principles that govern this Web site.

Terms and Conditions Apply

## Browsing, Information We Collect & Reservations

This Web site does not collect personally identifiable information from your computer when you browse this Web site and request pages from our servers. This means that, unless you voluntarily and knowingly provide us with personally identifiable information, we will not know your name, your email address, or any other personally identifiable information. When we need to collect personally identifiable information from you to provide you with a particular service, we will ask you to voluntarily supply us with the information we need. For example, if you would like to make a reservation we will ask you for information such as name, address, telephone number, email address, credit card number, and room preference to process your reservation. We will use your email address to send a confirmation and, if necessary, might use the other information to contact you for help in processing the reservation. We will also use your email address to notify you about special offers and promotions as described in the email section of this privacy statement. You can opt out of emails at any time. The personally identifiable information you provide to us for making a reservation is used for the purpose of meeting your reservation request.

## Emails about Special Offers and Promotions & Internet Privacy Statement Changes

It is our intention to only send you email communications that will be useful to you and that you want to receive. In the future, we may need to change this privacy statement. All changes will be made here so that you will always know what information we gather, how we might use that information and whether we will disclose it to anyone.
